For, Adhunik Transport Organisation Ltd.

S. Ramamurthy
Director

Human Safety & Environment Policy

At Adhunik, we give importance to

- Educate and train employees about health, safety, and the environment.
- Periodical medical check-ups of all drivers.

Testimonials

LARSEN & TOUBRO LIMITED

I must appreciate your efforts in moving the Hazira-Leh shipment in quick mode in spite of roadblocks with continuous tracking. The gas cylinders shipment was delivered within 3 days from Delhi to Leh via Jammu where it took half-day for filling the cylinder. This perhaps was the quickest delivery for the Leh route.

Due to your timely delivery at Leh, we could start the work today as committed to our customer. Thank you for your valuable support. Hoping for the same support for future consignments.

INDOFIL

I would like to acknowledge yours and your teams extraordinary support during this Pandemic period to meet Indofil's business requirements. It has helped us to maintain service levels to our esteemed customers.

I appreciate the safety measures and protocols that have been put in place. Please continue maintaining the required precautions as the battle with the Pandemic is not yet over. My best wishes to you and your teams for a safe and healthy FY 21-22.
